Dear Colleagues!

We are delighted to invite you to attend the conference «Unresolved issues in diagnostics and treatment of inflammatory bowel disease». The conference will open in the morning of Tuesday 1 June and continue for full one day.

The event will be fully online due to the COVID situation.

June 1, 2021

08.30-08.55

Registration

08.55-09.00

Opening of the Conference. Greetings:

Chair of the Healthcare Committee of the Government of St. Petersburg,

Cand. Sci. Dmitry Lisovets

09.00-12.00

Plenary Session

«The burden of IBD for the society and state, physicians and patients, federal and municipal healthcare systems. Continuous management from childhood to adult age»

09.00-09.20

Professor Elena Kornienko (St.-Petersburg, Russian Federation)

Problems and perspectives of IBD in children

09.20-09.25

Discussion

09.25-09.45

Professor Olga Barysheva (Petrozavodsk, Russian Federation)

What are the main risks faced by a patient with IBD and how to avoid them?

09.45-09.50

Discussion

09.50-10.20

Keynote Lecture

Professor Dr. Sebastian Zeissig (Dresden, Germany)

Modern approaches to treatment of patients with IBD: German perspective

10.20-10.25

Discussion

10.25-10.45

Professor Yury Uspensky (St.-Petersburg, Russian Federation)

The issues of patient flow and IBD patient registry in the megalopolis of St-Petersburg

10.45-10.50

Discussion

10.50-11.10

Professor Yulia Fomynikh (St.-Petersburg, Russian Federation)

Ulcerative colitis: presentation of clinical case

11.10-11.15

Discussion

11.15-11.35

Professor Mikhail Shevyakov (St.-Petersburg, Russian Federation)

Intestinal candidiasis in the patient with IBD

11.35-11.40

Discussion

11.40-12.00

Coffee break

12.00-12.30

Invited Lecture

Professor Silvio Danese (Milan, Italy)

The treatment of ulcerative colitis of mild to moderate severity: evolution of algorithms

12.30-12.35

Discussion

12.35-13.35

Symposium «New opportunities in the treatment of IBD patients»

(sponsored by Takeda Pharmaceuticals Ltd.)

12.35-12.55

Professor Michael Galagudza (St.-Petersburg, Russian Federation)

The role of increased epithelial permeability and intestinal dysbiosis in the pathogenesis of IBD

12.55-13.15

Alexey Vasilenko

(Novgorod the Great, Russian Federation)

The experience of supplying patients of Novgorod region with biological therapy. The special issues of using biological agents in different patient groups

13.15-13.35

Professor Diana Abdulganieva (Kazan, Russian Federation)

Optimal sequence of biological therapy in patients with IBD

13.35-13.50

Discussion

13.50-14.50

Symposium «New frontiers in IBD treatment»

(sponsored by «Johnson & Johnson» Ltd.)

13.50-14.10

Dr. Med. Sci. Oksana Shchukina (St.-Petersburg, Russian Federation)

Personalized approach to selection of biological drugs for the patients with IBD

14.10-14.30

Professor Oleg Shifrin (Moscow, Russian Federation)

The role of precise control of inflammation in prevention of oncological complication in IBD patients

14.30-14.50

Cand. Med. Sci. Alexey Veselov (Moscow, Russian Federation)

Ustekinumab if the treatment of IBD – clinical and economic aspects

14.50-15.05

Discussion

15.05-15.20

Coffee Break

15.20-18.00

Symposium «The unresolved issues in IBD diagnosis and treatment»

15.20-15.40

Cand. Sci. Alexander Smirnov (St.-Petersburg, Russian Federation)

The opportunities of modern endoscopy in the treatment of colonic epithelial tumors associated with IBD

15.40-15.45

Discussion

15.45-16.05

Professor Alexander Bogdanov (St.-Petersburg, Russian Federation)

Anemia in inflammatory bowel disease: hematologist's view

16.05-16.10

Discussion

16.10-16.30

Ruslan Dreval (Moscow, Russian Federation)

Social and economic aspects of biological therapy availability for the patients with IBD. Main barriers and possible solutions.

16.30-16.35

Discussion

16.35-16.55

Tatiana Shashurina (St.-Petersburg, Russian Federation)

The activities of the Society for Support of the Patients with IBD "Confidence". IBD is not a conviction! Together we win!

16.55-17.00

Discussion

17.00-17.20

Cand. Med. Sci. Sergey Ivanov (St.-Petersburg, Russian Federation)

Clinical characteristics and traits of inflammatory bowel disease

17.20-17.25

Discussion

17.25-17.45

Cand. Med. Sci. Natalia Baryshnikova (St.-Petersburg, Russian Federation)

The changes in intestinal microbiota in patients with IBD

17.45-17.50

Discussion

17.50-18.00

General Discussion and Conclusions

Speakers

**Professor
Elena Kornienko**

(St.-Petersburg, Russian Federation)

**Professor
Olga Barysheva**

(Petrozavodsk, Russian Federation)

**Professor
Sebastian Zeissig**
professor Dr.

(Dresden, Germany)

**Professor
Yury Uspensky**

National Representative
Russian Federation

(St.-Petersburg, Russian Federation)

**Professor
Yulia Fomynikh**

(St.-Petersburg, Russian Federation)

**Professor
Mikhail Shevyakov**

(St.-Petersburg, Russian Federation)

Speakers

**Professor Dr.
Silvio Danese**

(Milan, Italy)

**Professor
Michael Galagudza**

(St.-Petersburg, Russian Federation)

Alexey Vasilenko

(Novgorod the Great,
Russian Federation)

**Professor
Diana Abdulganieva**

(Kazan, Russian Federation)

**Dr. Med. Sci.
Oksana Shchukina**

(St.-Petersburg, Russian Federation)

**Professor
Oleg Shifrin**

(Moscow, Russian Federation)

Speakers

**Cand. Med. Sci.
Alexey Veselov**

(Moscow, Russian Federation)

**Cand. Sci.
Alexander Smirnov**

(St.-Petersburg, Russian Federation)

**Professor
Alexander Bogdanov**

(St.-Petersburg, Russian Federation)

Ruslan Dreval

(Moscow, Russian Federation)

Tatiana Shashurina

(St.-Petersburg, Russian Federation)

**Cand. Med. Sci.
Sergey Ivanov**

(St.-Petersburg, Russian Federation)

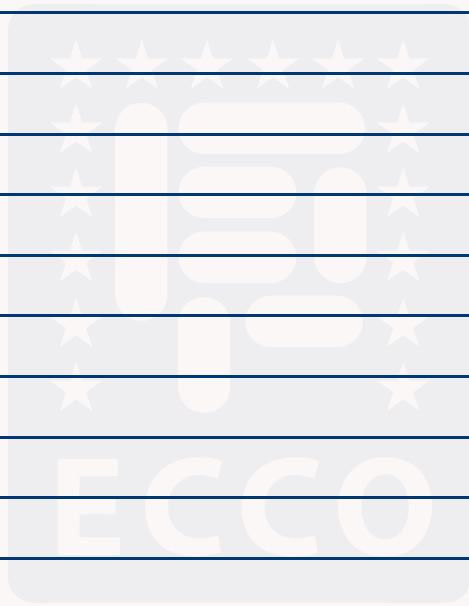

Speakers

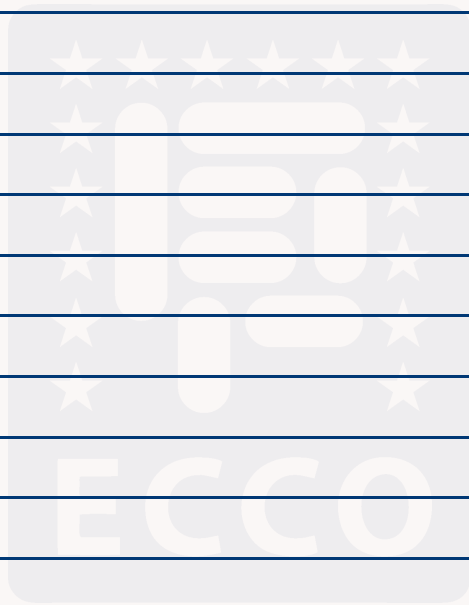

Cand. Med. Sci.
Natalia Baryshnikova

(St.-Petersburg, Russian Federation)
